GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Almost all members of the Teachers' Council either as member of the Governing Body or as member of the other thirty two different sub-committees which is prepared by the Teachers' Council and later on approved by the College Governing Body, participate in implementing the decisions which clearly satisfy the condition of decentralized participatory management. An Examination Committee headed by the Principal as supervisor, three teachers as Assistant supervisors, and a few non-teaching personnel as supporting staff of the said committee, is framed which actually monitors the entire internal examination of that particular semester, and the assessment of answer scripts for humanities spot evaluation is done and tabulation of marks are also done by the respective departments in a decentralized manner. A central Routine Committee is working at the beginning of every academic session. After getting routine, preparation of departmental routine, distribution of syllabus with

proper manning and syllabus modules, purchase of new books and equipments, and upgradation of laboratories are implemented. Each year, our students participate in the DPI and University organised cultural competitions and sports. The students of our NCC unit regularly participate in the programmes of national commemoration days and events. NSS volunteers of our college frequently organise health and environment related awareness programmes. The college IQAC guides the faculties to organise seminars, conferences, workshops as well as inspire them to represent the College in academic events organised by other institutions in India.

The Committee take important decisions like the dates of holding Internal Assessment examinations, printing of question papers sent by the respective departments and allotment of rooms for conduction of the examinations. The Examination Committee had organized a system of holding spot evaluations for the Arts Departments. In the lockdown period when examinations are being conducted online, the Examination Committee has taken on the full responsibility of uploading of question papers in time and ensuring that the new process in many ways unfamiliar to both teachers and students, is adopted successfully through ensuring timely communication of the system to both teachers and students. This example of effective leadership through decentralization and participative management ensures that the College conducts in every Semester whether through offline or online system, a smooth examination process for around 6000 students enrolled in the College, where in the lockdown period the College is responsible for assessment and uploading of marks of both internal and final examinations.

As per the guidelines of the University Internal assessments are conducted separately of all the semesters before each subsequent final examination. Under the circumstances of lockdown due to the COVID-19 , it was instructed by the University of Burdwan, following the order of Higher Education department to arrange online exams for the final semester students.
